Many people get involved in wrong things because they have not learned how to be happy with what they have. In this issue we will look at some things that people do because they do not know the secret that the apostle Paul knew.

He was able to be happy in both good or bad situations.  
Look up Philippians 4:12 (NIV) and unscramble the words in the sentence below.

## The True Meaning of Christmas

Christmas is a time of year  
When the children shout and cheer  
Because on every Christmas day  
They get presents - so they can play.  
But they forget that Christmas day  
Is when Baby Jesus came to stay  
In our hearts all day long.  
So never forget the Christmas song  
"Away in a Manger!"

God sent the angel Gabriel to tell Mary that she would give birth to baby Jesus who would be our Saviour. Mary was confused when she heard this news, but she did not say "No" because she knew the same secret as Paul. Use the code above to find out what Mary said. Then start at the arrow below and take every third letter around the circle until you land back at the arrow. (Clue: You will go around three times!) You will discover the rest of the secret Paul talked about. The letters with stars tell us who the secret is talking about.

## To Bethlehem

Mary and Joseph travelled to Bethlehem to be counted in a census. They were content with the situation they found even though it wasn't the best.

Colour in every other stone starting with the second one. Read the uncoloured stones to find out what happened when they got there.
