[www.dfk.com.au](http://www.dfk.com.au)

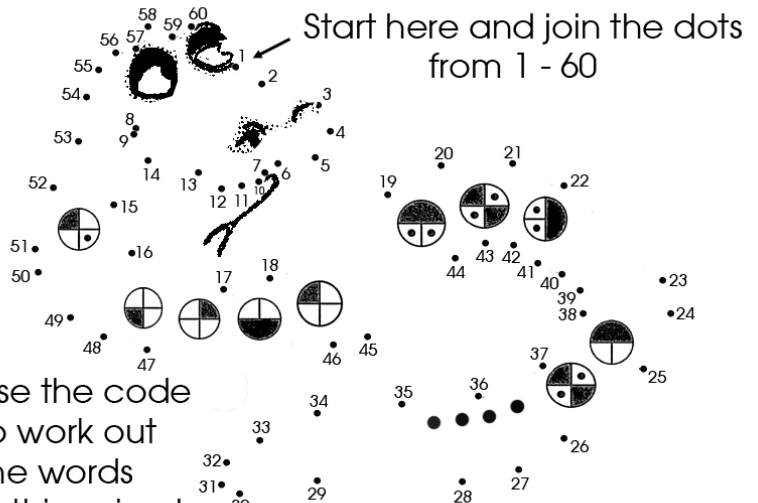

For girls & boys  
aged 6 to 12

A warning bell should sound when someone says these words and then suggests that you do something that is wrong. It is often hard to say "No" because it is said in a way that makes you feel of less courage or value if you do not take the dare. A dare always carries a risk. Some risks are good to take, but dares to do wrong risk destroying property, your good name, health or life. They go against God's law. However, you can dare to choose the right. You can decide to be true and honest, to respect and help others, to show care for things that belong to others. You can dare to be different and honour God. You can stand for the right. This might mean you risk facing a hard time but it will show that you have true courage. Jesus dared to come to this earth as a little baby and live as man, to fight sin for us. He risked everything in order to save you. Jesus said "No" to Satan's dares, and with His help, we can too. Use the code to work out this poem.

In *2 Corinthians 6:16-18* God made a promise to you when you dare to be different! Read it today!
