

Drug Free Kids

The other day I came home and found I had lots of ants in my kitchen. I put a small amount of liquid that helps to get rid of ants on the bench.

Very soon there was a circle of little ants surrounding the little pool of juice as it tastes sweet and good to them.

When the ants finish drinking they go back to their colony. But the liquid carries death to the ants' home. When they die, the other ants eat the ones that have eaten it and soon they all die.

It made me think of alcohol and drugs. These things look and taste nice at first but they actually carry death.

Don't be like the ants and drink death even though it may look or taste nice.

Be wise - choose life!

Your friend,

The sweet liquid was poison bringing death to the ants. Use the code to work out what this Bible verse says about wine.

Deuteronomy 32:33 (NLT)

TO SEE THE 3D PICTURE:

Hold the page up to your nose in good light. Unfocus your eyes and look through the page. Very slowly move the page away from your nose. Before it is at arm's length, the picture should pop out at you. If not, try again - until you can see the picture clearly.

This plant is dangerous to health. Never try to smoke, eat or use it, as it damages your memory and can cause mental illness. Colour in the shapes with dots to discover the names it is known by.

Arpee is going to the World WCTU Convention. Discover where he is going, by working out the code. For example, 1356 stands for the letter "a" in the word "eat" on the 1st page.

The 1st number (1) stands for the page number.

The 2nd number (3) is the paragraph number on that page. **Do not count words or lines that are part of drawings or titles.**

The 3rd number (5) is the line number of the paragraph.

The 4th number (6) is the letters on that line.

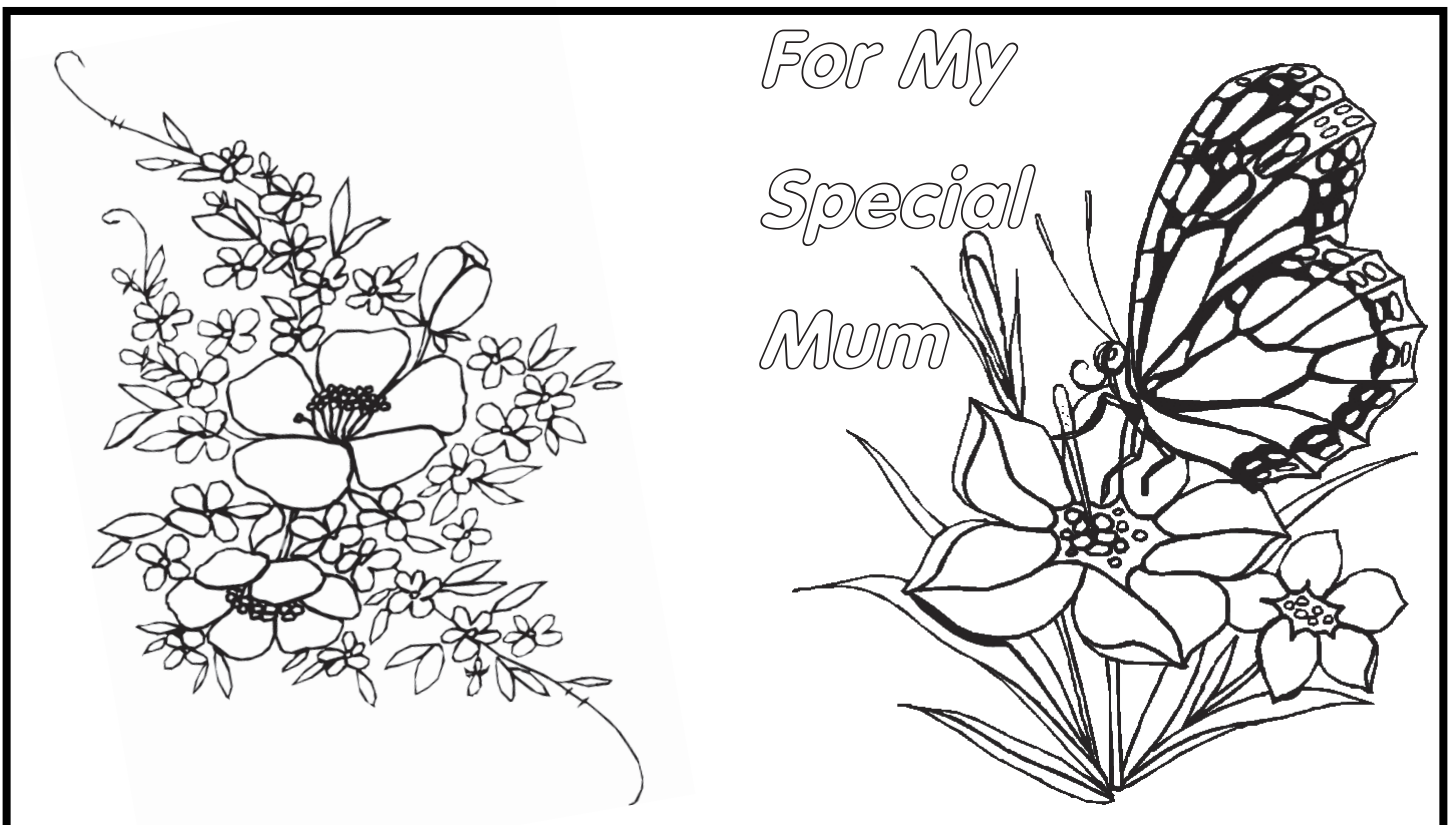

1356 - 1336 - 1212 - 2138 - 3147 - 1432 - 2261 - 3219

An Important Message to Remember

1		2		Mothers	should	or		
3		4		alcohol	apples			
5		6		not	other			
7		8		use				
				icecream	may	damage		
				drugs		drink		
				a	baby's	which		
				brain		biscuits		

Find mother No. 1. Draw a straight line with a ruler from the point of her nose to the point of the nose of the mother who matches her. Your line will go through some words. Do the same with mothers No. 2 - 8. Read the words for each mother as you follow the numbers from 1 - 8 and you will find an important message to always remember.

Your mother is a special person! She has a special work in caring for you. Colour and decorate the card below, cut it out, fold in half and give to your mother on Mother's Day to let her know that you love her.
