

Do you know what these leaves are? Unscramble the scattered letters and write the name of the drug on the line. Find the two leaves which are identical to each other and colour them in. This drug has been in the news a lot lately. People want to use it to treat some medical conditions. It is important to remember that this drug is actually damaging to the mind and addictive. Any use of it as medicine should be fully trialed and tested with conditions for its use carefully regulated so that people are not put at risk from its use.

Emily

These little sniffer dogs are trying to keep Australia Free From drugs. Help the Beagle in the bottom left corner to run through the maze and find all the cannabis hidden along the way till he gets back to where he started from. How many does he find? ____ Help the customs pup in the top right corner to find the drug haul in the suitcase. Paw prints indicate that there is a tunnel under the maze pathway so the puppy can go through the tunnel when he sees paw prints on each side of the pathway.

Go to our drug website page to answer these questions.

http://www.dfk.com.au/web_pages/marijuana.html

1. Which name for marijuana is not listed on the code puzzle on page 2 but is shown on the website page? Hint: It is also a girl's name.
2. What mental illness may also result from using marijuana?

Colour in all the circles and triangles on the angel's robe.

The uncoloured letters will spell the message that the angels delivered to the shepherds when Jesus was born.

Points were awarded for puzzles and work sent in from Emily & Evlyn Carter (50 points each) and Daniel Tafirenyika (20 points). Emily & Evlyn's posters and Evlyn's jokes appear in these pages.
