 Father's Day, Sept. 4  
 that you respect  
 and love him.

Here is some good  
 advice from a dad!

**DRUGS  
 ARE  
 DANGEROUS -  
 DON'T  
 YIELD!**

Say "No!" to drugs  
 and choose to live  
 healthy and happy.

Ice and snow are words that belong with winter.  
 However, these words are also used as street names for  
 drugs. These drugs - methamphetamines (ice) and cocaine  
 (snow) - are not fun. They can kill and make your life a  
 misery. We can have fun on the ice and in the snow in  
 winter time, as we skate, sled, ski, snowboard and hike.  
 Always choose the good fun in the outdoors and reject  
 those things that harm and destroy. Colour in the pictures  
 using the colour code above or your own choice of colours  
 for the father and son.

Read the web page on Cocaine:
