=NO DRUGS!

The Commonwealth Games held at the Gold Coast from April 4 - 15 want the athletes to show six personality traits that help us to face life and be winners. Use the code to work out what these traits are and then find the meaning of any words you don't know. Colour the winners on the podium.

FASD - What is it?

Copyright: retroclipart/123RF
Left side - modified

F

		T		L
--	--	---	--	---

A word describing the baby when it is still inside the mother.

A

L	C		H		L
---	---	--	---	--	---

A chemical in wine, beer and champagne which damages the baby's brain and the way the baby grows.

S

P		C	T	R		M
---	--	---	---	---	--	---

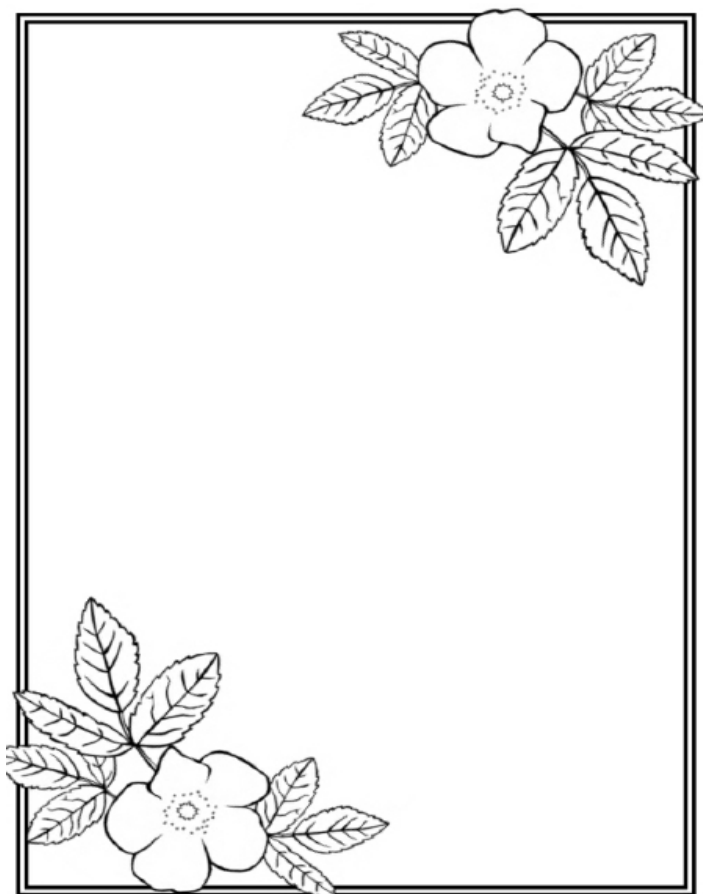

A wide range of symptoms. The last part of the word rhymes with drum.

D

	S		R	D		R	S
--	---	--	---	---	--	---	---

When many things do not work properly.

A baby can develop FASD if a mother drinks alcohol while she has the baby inside her. It changes the way a baby may look and how it thinks and acts. The vowels - A, E, I, O, U, - are missing from the words above. Fill in the right vowels to make the correct word. Then circle the differences in the two babies - one where the mother drank alcohol and the other where she said "NO" to alcohol.

Cut along this dotted line and then to the top along the folded edge of the page on your left.

Fold the paper in half along the centre to make a card. Then colour in the flowers on the borders and the letters inside the card. Write your own message on the blank page inside and draw your own picture on the back. You may like to decorate the card with sequins, lace or glitter to make it extra special for your mum and give it to her for Mother's Day.

1. What do you call a bear with no teeth?
2. Why is it dangerous to play cards in the jungle?
3. Why do bees have sticky hair?
4. How do all the oceans say hello to each other?
5. Why can't your nose be 12 inches long?

- Because then it would be a foot!

- They wave!

- A gummy bear!

- Because they use honey combs!

- Because there are so many cheetahs!
